

## Physical Education

From Easter 2013 a large proportion of our P E Lessons will be taught by fully qualified instructors through "Sports Plus". All instructors are fully trained in the delivery of 'The National Curriculum' and will breathe new life into our PE sessions. "Sports Plus" can offer over 50 sports and activities. For more information on 'Sports Plus' please click the following link

Swimming is taught at Stafford Leisure Centre where Year 3 & 4 pupils receive one full year of tuition in ability groups according to their swimming proficiency. Children receive their first set of lessons in years three and four. Our aim is for all children to be able to swim 25m by the time they leave school. To achieve this aim some children may continue to receive lessons. It is important that parents arrange for their children to practise the skills they have been taught. Without practice it is unlikely that pupils will achieve our aim.
